34th ANNUAL AIR & WASTE MANAGEMENT ASSOCIATION – GOLDEN EMPIRE CHAPTER TECHNICAL CONFERENCE

The Air and Waste Management Association – Golden Empire Chapter is pleased to announce its 34th Annual Technical Conference, which will be Thursday, November 5, 2026, at Chevron's Kern River Auditorium in Bakersfield, located at 1546 China Grade Loop, Bakersfield 93308.

We cordially invite you to participate as a sponsor or exhibitor, and sincerely appreciate your consideration.

As you may well know, the AWMA Golden Empire Chapter is a non-profit organization of environmental professionals and people interested in good environmental stewardship serving Fresno, Kern, Kings, Madera, Merced, Stanislaus and Tulare counties. All proceeds from the Technical Conference fund our scholarship and educational grant program, which provides money to local schools and students to pursue science-related endeavors in the hope of preparing a new generation for environmental stewardship. The Golden Empire Chapter in 2026 awarded $8,000 to Valley schools and students through this program. Without your generous support, we would be unable to maintain this level of funding for local schools and students.
